Golden colour with persistent off-white foam. Notable for its fruity citrus and floral aroma from the Simcoe and Mosaic hops. It has a pleasant moderate bitterness that predominates over the malt flavour. It has a smooth, medium-bodied mouthfeel. The finish is dry and the carbonation is moderate. Pairs well with spicy meats, spicy food and fatty cheeses.

**Style:** IPA

**IBU:** 70

#### **Taste Description**

IPA was brewed extra heavy and extra hopped in the days of long sea voyages so it could be drunk in the colonies. The American Craft Beer Revolution brought the IPA back to Europe. Oh, hello there! A big wave of hoppy fruitiness. Our oh so Beautiful Nel closes with a hefty bitter kick. Not normally delicious.
